How we do
things

in this bootcamp

In Class

- Interactive classes where I drive code and ask a lot of questions by name
- Safe space so don't hesitate to ask any questions
- Visual learning with a lot of jamboards
- I can't help you if I can't see you
- Regulars thumbs
- Student activities and instructor demos
- Get some of you'll to drive student activities
- 2 monitors if available
- Get familiar with the tools, laptop, zoom and create an effective workspace
- Breakout rooms

For Homework

- Each week on Thursday we will release the homework
- Friday is the homework review session
- The following Wednesday is the homework run-through session
- Homework will be due next Sunday (not the following Sunday)
- Grades will out within the week after submission
- If you require an extension the deadline to request for one is the Thursday before the submission
